Re: PR no. MC2020-08-0262 – Supply, Delivery and Installation of CNC Milling and Lathe Machine Learning System for the College of Industrial Technology at BPSU Main Campus

Total ABC: Ten Million Pesos only (Php 10,000,000.00)

TO ALL PROSPECTIVE BIDDERS:

In response to the queries and items for clarification during the virtual pre-bid conference held on 14 September 2020 at the Board Room, BPSU Main Campus Administration Building, City of Balanga, Bataan, and via Google Meet, the BAC together with the End-User Unit has arrived and agreed on the following points:

1. The E-Learning Application must be interactive lessons, not books nor PDF.
2. Bid proposals should include brochures and/or catalogues of the product offerings, along with lessons of the E-Learning Application.
3. Bid proposals should include Manufacturer's Authorization to Distribute (bidder must be either an authorized distributor or a sole/exclusive distributor of the product offerings) as part of the technical documents.
4. Again, bids to be submitted should still be in hard copies. Bids can be submitted via courier and should be received by the BPSU-BAC Secretariat before the deadline specified on the bidding documents.

As promulgated, this shall serve as an amendment to the bidding documents and accordingly modifies/supersedes any and all provisions which are inconsistent herewith.

For guidance and information of all concerned.

Issued this 17th day of September, 2020 at City of Balanga, Bataan.
